

A Forest Of Stories

This unique collection of folktales, compiled by Rina Singh, encourages us to rethink our relationship with trees through the telling of fantastic tales filled with dancing palms, healing fig trees and magical cherry blossoms. Illustrated in radiant hues by artist Helen Cann and containing notes about the individual characteristics of each species, this vibrant collection will encourage all of us, young and old alike, to appreciate the essential place of trees in our lives, and help us to translate our appreciation into the desire to protect our many endangered forests.
