

Augustines Commentary on Galatians: Introduction, Text, Translation, and Notes (Oxford Early Christian Studies)

Here available in English for the first time, Augustines Commentary on Galatians is his only complete, formal commentary on any book of the Bible. Since Galatians was commented upon by all the ancient Latin commentators, it provides a basis for comparing them and for identifying Augustines special concerns and emphases. Plumers translation features facing Latin text, and he provides a comprehensive introduction and copious notes.
