

The Sullivan Saga:: Memories of an Overseas Childhood

These are the exotic, funny and sometimes bittersweet family stories and photos of an overseas childhood told by the daughter of a State Department diplomat about her familys travels and experiences living overseas from 1957 to 1972. She and her six brothers spent their childhoods in South Korea, Taiwan, the Philippines, Thailand and Ethiopia. Through her stories, the reader can begin to appreciate the adaptability of children to other cultures and the fortitude and courage of parents trying to raise their children to be good citizens of the world as well as good Americans.
