

## Celtic Folklore - Welsh And Manx - Volume II

Celtic folklore is fascinating and so full of superstitions, legends, and customs that this book is a must read for anybody with a passion for the history of Ireland and the Isle of Man. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
