

Emigrant and Sportsman in Canada: Some Experiences of an Old Country Settler (Applewood Canadiana)

Published in 1876, *The Emigrant Sportsman*, takes aim at the class of emigrants who might have a small fortune at home, but who could live a life of leisure and adventure in Canada. The author, himself an emigrant and sportsman, supplies fellow sportsmen with sketches of Canadian life, sporting adventures, observations of the forests and fauna, and a few of his experiences as a settler as a way to convince others to come to Canada.
