

Exploits and Anecdotes of the Most Remarkable Gypsies in the Southern Counties of Scotland: Together With Traits of Their Origin, Character, and Manners (Classic Reprint)

Excerpt from Exploits and Anecdotes of the Most Remarkable Gypsies in the Southern Counties of Scotland: Together With Traits of Their Origin, Character, and Manners. The original edition of this little volume, one of Dr William Chambers earliest literary efforts, has long been of interest to collectors of scarce books, and so keen has the competition for copies become, that in recent years the few that have appeared for sale have brought upwards of three pounds. Besides its rarity, however, the book has the more substantial attraction of presenting a popular subject in a very popular form.
