

Color of Life

For almost three decades, Dr. Lohit Datta-Barua has lived in suburban Houston. He spent his humble childhood and youth on the banks of the mighty Brahmaputra in northeast India, amongst rich natural surroundings (also known as the Land of the Red river and the Blue Hills). He moved to the USA in the early 70s, and he is an engineer by profession. His professional career has taken him to many countries around the globe. He has authored two technical books, Natural Gas Measurement & Control published by McGraw-Hill Publishing, as well as Digital Computer: Repair & Maintenance published by Tata McGrawHill Co, in addition to numerous technical papers and presentations. He was also the keynote speaker at the Texas Gas Associations 2003 Annual Conference in San Antonio, Texas.
