

Kathleen Harper is a southern gal who cant quit saying what she really thinks, calls things as she sees em, and has the ability to find the humor in everyday life. In her second compilation of entertaining essays, Harper shares her twisted opinions on men, menopause, neighbors, and children from a unique Southern outlook. Harper, the author of Why, Shut My Mouth!: Southern, Sassy and Proud of It, offers a laugh-out-loud look at life from a Southern womans perspective that reminds us that life is as funny as we make it. Harpers humor is relevant to any woman who has experienced hot flashes so sizzling that she feels like a neon sign blinking on the side of the highway; has wondered why a search for her bikini body suddenly feels like a never-ending scavenger hunt; and has shrieked, Gotta have em! while trying on the sexiest shoes ever. In Hot Flashes and Southern Sasses, Harper shares another sassy, opinionated, and truthful journey through the life of a middle-aged Southern gal that encourages women everywhere to laugh often, never take life too seriously, and most of all, to always have fun.
