

## Good and Faithful Servant

What happens when the goals and plans you have set for your life are dramatically changed? When God intercedes and sets a completely different course for your life? Do you accept His plans or forge your own way? If you're Ken Old, you acquiesce and open your heart and mind to His calling. Join author Patty Old West in commemorating the life of Kenneth George Old as she records how God used a civil engineer who dreamed of building bridges to build spiritual bridges instead. Humbly yielding his life to the plans and purpose of God, Ken spent thirty-three years as a missionary in Pakistan. Embarking upon a life filled with God-ordained appointments, he experienced the hand of God providing abundantly above what he could ask or imagine. Let *Good and Faithful Servant* inspire you to yield your own life to God and be able to experience the awesome and amazing blessings that God can send your way.
