

My God is in the Healing Business: Memoirs of a Family's Healing Miracles & How to Receive Yours

Are you sick, but doctors can't diagnose the disease? Do you feel desperate for answers because despair has taken over? Or, maybe you have been diagnosed with a disease for which there is no cure. Perhaps you are struggling with addiction, and you feel frightened and depressed. You may have been convinced there are not answers for what ails you. In this book are answers, and hope for a bright future. You will find secret nuggets of wisdom, instruction and truths, along with some amazing stories; examples of what God can do for you by learning what He wants from you. This book is about four generations of an ordinary family who experienced amazing stories of divine healing miracles. When doctors gave up, their faith took over. The author shares personal stories of healing disease and addictions with a refreshing openness not often found. She teaches you how to build faith through the use of powerful scriptures that supernaturally manifest into healing miracles. She explains how it all connects, thus building supernatural power within you, until your body has no choice but to respond to your mind and spirit with total harmony and healing. You will discover fundamental truths, hidden secrets, and age-old wisdom you never knew existed. Forgiveness: How grudges you have forgotten are causing your illness; Faith: How to strengthen your faith to bring your healing into reality; Prayer: How having a constant consciousness of His presence builds faith; Word Of God: How to transform disease into health through His Words Personal Relationship with God: How to have a relationship with the only HEALER. It all comes together, changing your perspective about God-Health-Life transforms your reality into health!
