

PCOS: My (Personal) Journey with Ovarian Cysts

This book is a rare glimpse into the private world of living with a disease that millions of women have, yet few discuss. It depicts Polycystic Ovarian Syndrome from the perspective of the patient in a first person account of the authors own true story. Having lived with the disease for more than 20 years, and counting, it sheds light on the challenges that women who have PCOS face in their everyday lives.
