

Evaluating Instructional Leadership: Recognized Practices for Success

Improve Principal Evaluation And Create Highly Effective Leaders! Behind every high-quality principal is an airtight system of leadership evaluation that consistently rewards excellence and remedies deficits. While teacher evaluation methods have improved, instructional leadership evaluation has often stood still and student learning and achievement have paid the price. This book offers clear solutions to these and related problems. Application of its ideas will ensure high quality leadership in the principals office year after year. Content includes: Extensive data, presented in a user-friendly manner Clear connections to the ISLLC Standards for School Leaders A suite of interactive tools, including sample self-assessments, mid-year and final evaluation forms, and professional growth plans
