

Strangers & Aliens

Have you ever felt like a stranger, even in your own country? Rodney was born in Japan and at the age of seven, came to Australia. He was in for a shock. A culture shock. To say he wasn't coping with the many changes in culture would be an understatement. It only became more acute when at 17 years of age, Rodney made a life-changing decision to be a Born Again Christian. Now he faced another kind of culture shock. This book is about Rodney's 40-year journey to find an inner rest about who he is and where he belongs as well as his purpose. It is more than a story. This book is more a manual built out of experience, that can be utilised by anyone experiencing something close. Now therefore you are no longer strangers and foreigners, but fellow citizens with the saints, and of the household of God (Eph.2:19)
