

Make sure you hit all the right notes. Playing the piano is much more than just learning notes and reading music; having good dexterity, building independent finger strength, and learning proper technique is absolutely essential to mastering the instrument. Packed with everything a player needs to become a great pianist, The Complete Idiots Guide® to Piano Exercises is the perfect companion to the best-selling The Complete Idiots Guide® to Playing Piano, Third Edition. More than 100 challenging exercises designed to improve playing skills, including pedaling, hand crossovers, virtuoso arpeggios, playing dynamics, and more? The author owns and operates a very successful home studio, and is a virtuoso pianist
