

From WATER STREET PRESS In 1972, professional dancer Joan Wulfsohn underwent a double mastectomy. And her soon-to-be-ex-husband abducted their three children and spirited them away to a foreign country. "I should have died," Joan writes. But she didn't. Stalking Carlos Castaneda chronicles her journey back to life by way of lessons learned from stunning transvestites and music hall dancers, teen porn stars, a brain damaged boy, Eastern holy men, Western supermodels and a certain aging sorcerer. It is the story of how one woman learned to live a magical life—bound not by spells and hexes but rather filled with wonder and transcendence.
