

Sacrifice (The Dark Blood Chronicles Book 1)

In a future where magical forces rule, Mikayla Harlow was raised as the only child of a single mother. She was a commoner; a lowly town girl struggling in the Land of Haide dominated by men of unrelenting commitment to aristocracy until the untimely death of the king reveals that he was her father. Thrust into a court filled with doubt and a plot to eliminate her, she relies on a book, the poems of her king, to fuel her with the strength and powers that she will need to simply survive. The court convenes and she is ordered to carry out a suicidal mission against the cruelest enemy of the Land of Haide. With nothing to protect her but the blood of royalty in her veins, she strives to understand the powers that lie somewhere within her grasp. As Mikayla learns how to control the magic she discovers her duty isn't to protect the Land where she grew up. Instead, Mikayla must die for it.
