

## Truth and Consequences: The Monster Files, Book 2

Alex Finch survived her first encounter with monsters. But in the fallout, she lost Sam, and gained a vicious, clawed Devil as a stalker. Now, a random attack, a threatening note, and a surprising discovery lead Alex closer to the truth of what happened ten years ago. With the help of her new friends, she digs even deeper into Emmettsvilles past, and finds out that learning the truth has consequences. Sometimes, deadly consequences.
