

This Cant Happen! Shes Jewish!

This is the autobiography of a Jewish girl who grew up in the Bronx and Manhattan. The beginnings of her life were challenging to say the least. There were ups and downs that would drive most people to give up, but she had the tenacity and will to succeed that carried her through. After ten years of marriage she was in a beautiful house with two babies and a despicable husband she hated with a passion. This is where it gets interesting and will fill you with hope. She found answers that will encourage and inspire you.
